

Institut Universitaire de la Côte — Le Pôle d'Excellence en Afrique

1. ABOUT IUC

Founded in 2000, IUC (Institut Universitaire de la Côte) is a leading private higher education institution in Cameroon. With over 25 years of experience, the university has trained more than 15,000 graduates across 7 specialized schools, 200+ programs, and 5 campuses.

IUC is fully accredited by **CTI** (Commission des Titres d'Ingénieur) and **CAMES** (Conseil Africain et Malgache pour l'Enseignement Supérieur), ensuring international recognition of its degrees.

2. KEY ADMISSION FACTS

Indicator	Value
Students enrolled	5,000+
Programs offered	200+
Schools	7 specialized institutes
Campuses	5 (Douala x4, Dschang)
Diplomas issued	15,000+
Diplomas per year	500+
Accreditations	CTI & CAMES
Satisfaction rate	100%

3. SCHOOLS & INSTITUTES

Acronym	Full Name	Main Fields
SEAS	School of Engineering and Applied Sciences	Engineering, Applied Sciences (English track)
ICIA	Institut de Commerce et d'Ingénierie d'Affaires	Business, Commerce, Management
3IAC	Institut d'Ingénierie Informatique d'Afrique Centrale	IT, Computer Engineering, Networks
ISTDI	Institut Supérieur de Technologie et de Design Industriel	Technology, Industrial Design
ISSA	Institut des Sciences de la Santé	Health Sciences, Nursing, Paramedical
IISTI	Institut International des Sciences et Technologies de l'Innovation	Innovation, CPGE Prépa
ESTA	École des Sciences et Techniques Agro-Industrielles	Agriculture, Agro-industry

4. DEGREE LEVELS OFFERED

Level	Degree	Duration	Prerequisite
Bac+2	BTS / HND	2 years	Baccalauréat / GCE A-Level
Bac+2	Classe Prépa	2 years	Baccalauréat (science series)
Bac+3	Licence / Bachelor	3 years	Baccalauréat / GCE A-Level
Bac+3	BSc / BEng / BTech / BHSc	3 years	Baccalauréat / GCE A-Level
Bac+3	BBA / BLaw / BArg / BCIA	3 years	Baccalauréat
Bac+5	Master / MSc / MBA / MP	2 years	Licence / Bachelor
Bac+5	EMBA	2 years	Licence + work experience
Bac+5	Cycle Ingénieur / M.Eng	3 yrs from BTS	BTS/HND or Prépa
Professional	ECGM (Executive Certification)	Variable	Work experience
International	DEC / MPL	Variable	Licence or BTS

5. GENERAL ADMISSION REQUIREMENTS

5.1 Standard Entry Documents

- Completed and signed admission application form
- Certified copy of Baccalauréat or GCE A-Level certificate
- Certified academic transcripts from secondary school
- Two (2) recent passport-size photographs
- Certified copy of National Identity Card or valid passport
- Original birth certificate or certified copy
- Proof of payment of application fee (where applicable)

5.2 Requirements by Degree Level

Program Level	Academic Requirement	Additional Notes
BTS (Francophone)	Baccalauréat (all series)	Series should match the BTS field
HND (Anglophone)	GCE A-Level (2 subjects min.)	Relevant subjects required
Licence/Bachelor	Baccalauréat or GCE A-Level	Science series for tech programs
Master / MSc	Licence or Bachelor (Bac+3)	Some require work experience
MBA / EMBA	Licence/Bachelor + work exp.	EMBA: min. 3-5 years experience
Cycle Ingénieur	BTS/HND or Classe Prépa	May require entrance exam
ECGM	Professional experience	Prior degree an asset

Program Level	Academic Requirement	Additional Notes
International (PISTI/DEC)	Contact admissions	Language test may apply

5.3 International Students

International applicants must provide notarized translations of all academic documents. Foreign degrees must be validated or recognized by the Cameroonian Ministry of Higher Education. A valid passport and, if required, a Cameroonian student visa must be presented at enrollment.

6. ADMISSION PROCEDURE — STEP BY STEP

Step 1 — Online Candidacy

Go to <https://students.myiuc.com/emailing-candidate> and complete the candidate form. Select your preferred program and campus.

Step 2 — Document Submission

Upload or bring in person all required documents to the admissions office.

Step 3 — Application Review

The admissions team reviews your file (usually within 1–2 weeks). Some programs may require an interview or entrance test.

Step 4 — Admission Decision

You receive an admission letter or conditional admission (if results are pending).

Step 5 — Payment of Fees

Pay the registration and tuition fees at the campus finance office. Payment plans may be available.

Step 6 — Physical Registration

Visit your chosen campus with original documents and proof of payment to complete physical registration.

Step 7 — Student ID & Portal Access

Receive your student ID card and login credentials for the student portal at <https://students.myiuc.com/login>.

7. CAMPUS SELECTION GUIDE

Campus	City	Description
Logbessou	Douala	Largest campus; modern labs, engineering facilities, all schools present
Akwa	Douala	City-centre campus; close to businesses; ideal for management & commerce
Excellence	Douala	Elite campus for high-demand programs and innovation-oriented students
Denver	Douala	Residential area; friendly environment; all basic programs available
Dschang	Dschang	Calm, green campus; ideal for focused study and West Region students

8. PROGRAM SELECTION GUIDE

8.1 By Field of Interest

Interest Area	Recommended School	Sample Programs
Engineering & Technology	SEAS / IISTI	BEng, Cycle Ingénieur, M.Eng
Computer Science & IT	3IAC	BTS Info, LCSi, MCSi, MPL, Cycle Ingénieur
Business & Commerce	ICIA	BBA, MBA, EMBA, BCIA, ECGM
Health Sciences	ISSA	BHSc, HND Nursing, BSc Biochemistry
Industrial Design & Tech.	ISTDI	BTech, Licence Technologique
Agriculture	ESTA	BArg, BSc Agriculture, Licence Agro
Innovation / Prep School	IISTI	Classe Prépa, PISTI programs
Law / Admin	ICIA / SEAS	Bachelor of Law, LP Admin
