

Facilities, Infrastructure & Student Support — All IUC Campuses

1. IUC CAMPUS NETWORK

IUC operates 5 campuses designed to provide students with a rich, safe, and academically stimulating environment. Each campus has been developed with specific strengths.

Campus	City	Key Strengths	Schools Present
Logbessou	Douala	Largest campus, modern labs, engineering facilities, amphitheaters	All 7 schools
Akwa	Douala	City centre, close to businesses, management programs	ICIA, 3IAC, ISSA
Excellence	Douala	Elite programs, innovation hub, high-demand courses	Selected schools
Denver	Douala	Residential area, friendly environment, accessible	ICIA, SEAS, ISTD I
Dschang	Dschang	Calm green setting, focused study, agro-sciences	ESTA, SEAS, ICIA

2. ACADEMIC INFRASTRUCTURE

2.1 Laboratories

Laboratory	School	Capacity / Purpose
Electronics Laboratory	SEAS / IISTI	Electronic circuits, component testing, analog/digital systems
Electrical Engineering Lab	SEAS	Power systems, electrical machines, distribution
Cooling & Air Conditioning Lab	SEAS / ISTD I	HVAC systems, refrigeration technology, practical training
Computer Science & Industrial Automation	3IAC / IISTI	Programming, automation, PLCs, robotics
Machine Room TP1 & TP2	All IT schools	Computer labs for coursework, exams, software practice
Design Drawing Lab (LABO DESSIN)	ISTDI	CAD design, industrial drawing, drafting
Biochemistry Laboratory	ISSA	Sample analysis, laboratory techniques, biology
Nursing Practice Room	ISSA	Clinical skills, patient care simulation, health procedures
Agro-Sciences Field & Lab	ESTA	Agricultural production, soil analysis, field practice

2.2 Lecture Halls & Amphitheaters

All IUC campuses are equipped with modern classrooms and amphitheaters for large lectures, conferences, graduation ceremonies, and academic events. The Logbessou campus features the main amphitheater (AMPHI 1)

used for institutional events.

2.3 Library & Documentation Centre

Each campus has a documentation and library resource centre providing students access to academic books, journals, and digital resources. The E-school platform supplements physical library resources with online training materials and white papers.

3. STUDENT RESIDENCE (CITÉES UNIVERSITAIRES)

IUC operates 3 student residences (cités universitaires) offering comfortable, equipped, and secured accommodation for enrolled students.

Feature	Description
Number of Residences	3 cités universitaires across campuses
Rooms	Multiple room types — single and shared
Equipment	Furnished rooms with beds, desks, storage
Security	24/7 secured premises
Location	Near Logbessou and key campuses
Eligibility	Open to all enrolled IUC students
Application	Contact student affairs office on campus

Note: Residence places are limited. Apply early at the student affairs office to secure accommodation.

4. HEALTH & MEDICAL SERVICES

Service	Location	Access
Infirmery (Infirmirie)	All main campuses	Open during campus hours; basic care and first aid
Medico-Social Centre	Logbessou & main campuses	General consultations, social welfare support
Nursing Practice Rooms	ISSA campus	Health students' practical training
Emergency referral	Off-campus hospitals	Campus staff escort for serious emergencies

5. SPORTS & CULTURAL FACILITIES — GUIM'S SPORT ACADEMY

IUC's sports and cultural infrastructure, Guim's Sport Academy, provides students with a range of physical activities and competitive sports opportunities.

- Multi-purpose sports court (basketball, volleyball, football)
- Athletics area for track events
- Indoor fitness facilities
- Cultural performance and event space
- University games (Jeux Universitaires) training venue

- Student team competitions organized annually

6. TRANSPORTATION SERVICES

IUC provides student bus transportation services connecting campuses with key points in Douala and Dschang. The university bus (visible in campus facilities) helps students commute safely and on schedule.

Note: Contact your campus administration for bus routes, schedules, and any associated fees.

7. DIGITAL & TECHNOLOGY SERVICES
