

Full Program & Degree Offerings — Academic Year 2025-2026

1. HOW TO USE THIS CATALOG

This catalog lists all degree programs available at IUC across its 7 schools. Programs are organized by school. Each entry includes the program name, level, language of instruction, and duration. For specific course syllabi or timetables, consult the student portal.

Note: For the interactive program map with filters by language, cycle, and school, visit: <https://app.myiuc.com/programmes/>

2. SEAS — School of Engineering and Applied Sciences

Programs taught primarily in **English**. Focuses on applied engineering and sciences.

Program	Level	Language	Duration
HND Electrical Engineering	HND (Bac+2)	English	2 years
HND Civil Engineering	HND (Bac+2)	English	2 years
HND Mechanical Engineering	HND (Bac+2)	English	2 years
Bachelor of Engineering (BEng)	Bac+3	English	3 years
Bachelor of Technology (BTech)	Bac+3	English	1 year top-up from HND
Bachelor of Science (BSc)	Bac+3	English	3 years
Master of Engineering (M.Eng)	Bac+5	English	2 years
Master of Science (MSc)	Bac+5	English	2 years
Cycle Ingénieur (Engineering)	Bac+5	English	3 years from HND

3. ICIA — Institut de Commerce et d'Ingénierie d'Affaires

Programs in **French and English**. Covers business, management, law, and commerce.

Program	Level	Language	Duration
BTS Commerce International	BTS (Bac+2)	French	2 years
BTS Gestion des Entreprises et des Administrations	BTS (Bac+2)	French	2 years
BTS Comptabilité et Gestion	BTS (Bac+2)	French	2 years
BTS Communication	BTS (Bac+2)	French	2 years
BTS Hôtellerie–Restauration	BTS (Bac+2)	French	2 years
Bachelor of Business Administration (BBA)	Bac+3	English	3 years
Bachelor of Law	Bac+3	English/French	3 years
BCIA (Commerce International Asie)	Bac+3	French	3 years

Program	Level	Language	Duration
Licence en Sciences Économiques et Gestion	Licence (Bac+3)	French	3 years
Licence Professionnelle (LP) Gestion	LP (Bac+3)	French	1 year top-up
MBA (Master in Business Administration)	Bac+5	English/French	2 years
EMBA (Executive MBA)	Bac+5	French/English	2 years (professional)
ECGM (Executive Certification in General Management)	Professional	French/English	Variable
Master Professionnel (MP) Management	Bac+5	French	2 years

4. 3IAC — Institut d'Ingénierie Informatique d'Afrique Centrale

Programs in **French**. Specializes in computer science, networks, and automation.

Program	Level	Language	Duration
BTS Informatique de Gestion	BTS (Bac+2)	French	2 years
BTS Réseaux et Télécommunications	BTS (Bac+2)	French	2 years
BTS Développement Informatique	BTS (Bac+2)	French	2 years
LCSI (Licence en Informatique)	Bac+3	French	3 years
MCSI (Master en Informatique)	Bac+5	French	2 years
MPL (Master Professionnel — Limoges)	Bac+5	French	2 years (joint degree)
Cycle Ingénieur Informatique (3IL)	Bac+5	French	3 years from BTS
PREPA 3IL	Prep (Bac)	French	1 year prep
Diplôme Supérieur d'Études Professionnelles (DSEP)	Professional	French	Variable

5. ISTD — Institut Supérieur de Technologie et de Design Industriel

Programs in **French**. Technology, industrial design, and applied technical sciences.

Program	Level	Language	Duration
BTS Génie Industriel	BTS (Bac+2)	French	2 years
BTS Maintenance Industrielle	BTS (Bac+2)	French	2 years
BTS Design Industriel	BTS (Bac+2)	French	2 years

Program	Level	Language	Duration
Licence Technologique (LT)	Bac+3	French	1 year top-up from BTS
Licence Sciences et Techniques (LST)	Bac+3	French	3 years
BTech Industrial Technology	Bac+3	English	1 year top-up

6. ISSA — Institut des Sciences de la Santé

Programs in **French and English**. Health sciences, nursing, and paramedical professions.

Program	Level	Language	Duration
HND Nursing (Soins Infirmiers)	HND (Bac+2)	English	2 years
HND Medical Imaging	HND (Bac+2)	French/English	2 years
BSc Health Sciences	Bac+3	English	3 years
BHSc (Bachelor of Health Science)	Bac+3	English	3 years
Licence en Sciences de la Santé	Bac+3	French	3 years
BSc Biochemistry	Bac+3	English/French	3 years

7. IISTI — Institut International des Sciences et Technologies de l'Innovation

Programs in **French and English**. Innovation sciences, preparatory classes, and international tracks.

Program	Level	Language	Duration
Classe Préparatoire (CPGE — MPSI/PCSI)	Bac	French	2 years
PREPA 3IL (Preparation for Engineering)	Bac	French	1 year
DEC (Diplôme d'Étude Collégiale)	Bac+2	French	2 years
PISTI International Programs	Various	French/English	Variable
Bachelor of Science (BSc) — Innovation	Bac+3	English	3 years

8. ESTA — École des Sciences et Techniques Agro-Industrielles

Programs in **French**. Agricultural sciences and agro-industrial engineering.

Program	Level	Language	Duration
BTS Agriculture / Productions Végétales	BTS (Bac+2)	French	2 years
BTS Agroalimentaire	BTS (Bac+2)	French	2 years
BSc Agriculture	Bac+3	French/English	3 years
Bachelor of Agriculture (BArg)	Bac+3	English	3 years
Licence Agro-Industrielle	Bac+3	French	3 years
Bachelor of Science in Agriculture	Bac+3	English	3 years

9. INDUSTRY CERTIFICATION PROGRAMS

Available to enrolled students across all schools as supplementary qualifications:

Certification	Provider	Focus Area
HCIA / HCIP / HCIE	Huawei	Networking, Cloud, AI, 5G
CCNA / CCNP	Cisco	Networking, Security, Infrastructure
AWS Cloud Practitioner / SA Associate	Amazon Web Services	Cloud Computing
Azure Fundamentals / Office 365	Microsoft	Cloud, Productivity, Security

10. INTERNATIONAL PARTNER PROGRAMS

Selected students may benefit from joint programs or dual-degree pathways with IUC's French university partners:

Partner Institution	Country	Program Type
INSA Rennes	France	Dual Engineering Degree
CY-Tech (ex-ESSEC Ingénierie)	France	Engineering / Applied Sciences
Université de Bourgogne Europe	France	Master level joint programs
ENSIL-ENSCI	France	Industrial Engineering
ENSIM (Université du Mans)	France	Engineering Sciences
ISEL	France	Electrical / Electronic Engineering
Polytech Dijon	France	Technology & Engineering
Agro-Dijon / ISAT	France	Agricultural Sciences
ESGT	France	Geomatics / Land Surveying
