4. ACADEMIC CODE OF CONDUCT

4.1 Academic Integrity

IUC enforces strict academic integrity policies. Any form of dishonesty — including plagiarism, cheating during examinations, falsifying documents, or impersonation — is subject to disciplinary action.

Violation	Consequence
Plagiarism (partial)	Course failure for that assignment
Plagiarism (major)	Automatic course failure
Cheating in exams	Zero mark + disciplinary hearing
Falsifying documents	Expulsion and legal referral
Repeated misconduct	Suspension or permanent expulsion

4.2 Attendance Policy

Students are expected to attend all scheduled lectures, practical sessions, and seminars. Unjustified absences exceeding the school-specific threshold may result in disqualification from examinations. Medical absences must be supported by a doctor's note submitted within 48 hours.

4.3 Dress Code

IUC does not enforce a general dress code; however, students in laboratory-based programs (engineering, health sciences, chemistry) must wear appropriate protective attire including lab coats, safety goggles, and closed-toe shoes when required by the course instructor.
